Sir,

The members of the Belur Municipality proposed the levy of octroi duty on sheep and goats brought into the municipality for sale on the ground that a large number of these are being consumed and that the realization from this source would tend to the bettering of the Revenue which at present is not sufficient to meet the requirements yearly. The amildar was directed to report the probable

Revenue that would accrue from this source.

2. After discussing the matter in the Board the auditor has reported that a sum of Rs 150 is likely to be obtained. I beg to submit the matter for orders. I am of opinion that the recommendation of the Board may be approved.
